The textbook for this course will be *Computer Security: Art and Science*, by Matt Bishop.

The due dates listed here for the lab exercises and the date of the midterm are tentative, and may be adjusted after the course starts. **DO NOT COUNT ON THEM BEING EXACTLY AS SHOWN IN THE SYLLABUS! IF YOU MISS THE MIDTERM OR AN ASSIGNMENT DUE DATE BECAUSE IT DIFFERS THAN WHAT IS SHOWN HERE, YOU WILL NOT BE GIVEN AN OPPORTUNITY TO MAKE IT UP!** Check the dates listed on the class web site (http://www.lasr.cs.ucla.edu/classes/136_spring14) for definitive information, bearing in mind that due dates may be adjusted as the class progresses. If you attend class and pay attention to what's posted on this web page, you will have no trouble with knowing the dates.
